

# GATHER YOUR TRIBE

Nowhere does it say that you have to become the Boss of Busy all on your own. There seems to be this unspoken belief that none of our work counts if others help us. Our inner martyr stops us reaching out, but when we unpack it, genius never happens in isolation. Let's find the right people for the right purpose, the three groups of people you need in your corner:

THE CHAMPIONS (THE MASTERS IN THEIR FIELD)	THE CHALLENGERS (THOSE WHO STRETCH YOU AND HOLD YOU ACCOUNTABLE)	THE CHEERSQUAD (THOSE WHO ARE IN YOUR CORNER NO MATTER WHAT)
WHO:..... HOW WILL I ENGAGE WITH THEM MORE? ..... ..... WHAT DO THEY TEACH ME? .....	WHO:..... WHERE AM I SEEKING TO BE CHALLENGED MORE?..... ..... .....	WHO:..... WHICH AREA OF MY LIFE DO THEY SUPPORT? ..... ..... .....
